Open to remote and London hybrid roles

PROFESSIONAL SUMMARY

Customer success and **account management** professional with over a decade in B2B sales and six years of frontline delivery across **NHS**, charity and criminal justice services. Booked £7.3m against a £6.7m target at BT, hitting 18 consecutive quarterly targets. Has supported 280 **NHS** Talking Therapies clients over two years, placing 27% into new roles against a 15% target. **Salesforce** and Siebel background; current Epic and Mayden user. Targeting **Customer Success**, Enablement, Implementation and Account Manager roles in health, legal and HR technology.

CORE SKILLS

- **Customer success:** onboarding assessments, success planning, engagement, adoption and enablement
- **Account management:** renewals, **retention**, upsell and consultative selling
- Stakeholder management: clinicians, employers, DWP and senior commercial contacts
- Caseload and programme delivery: KPI reporting, outcome tracking, performance compliance
- CRM and data: **Salesforce**, Oracle Siebel, OneView, Excel; clinical systems Epic and Mayden
- Platforms and AI: Microsoft 365, SharePoint, Google Workspace; ChatGPT, Copilot, Claude, Goblin
- Safeguarding and information governance in **NHS** and criminal justice settings

PROFESSIONAL EXPERIENCE

Employment Career Coach

05/2024 – Present

WithYou (NHS Talking Therapies Kent & Medway)

- Manage a specialist coaching caseload that has reached 280 clients over two years, running 35 appointments a week and 10 new-client assessments a month on a self-managed diary.
- Placed 27% of clients into new roles against a 15% service target.
- Retained 65% of clients in employment through proactive coaching and employer engagement.
- Manage a fully clinician-referred client pipeline, with outcome reporting back to referring clinicians and service leads.
- Hold engagement at 81% and attendance at 85% across clients with disability and mental health needs.
- Coordinate support with employers, the DWP and community services, negotiating reasonable workplace adjustments on clients' behalf.
- Keep records, outcome data and KPI reporting accurate on Epic and Mayden under NHS information governance.
- Awarded "Most Compassionate Team" within NHS Talking Therapies, 2024.

Criminal Justice Recovery Worker

06/2023 – 05/2024

The Forward Trust, Dover & Folkestone

- Managed a caseload of 55, seeing 45 clients a week and the remainder fortnightly, referred by GPs, courts, probation, police and self-referral, with nine appointments a day.
- Delivered structured 1:1 and group interventions under court-ordered Alcohol Treatment Requirement and Drug Rehabilitation Requirement pathways; moved 20% of clients into structured treatment and held attendance at 75% in a largely voluntary service.
- Worked alongside prescribing clinicians on around 30% of appointments, supporting medication and care-plan reviews and carrying out alcohol and drug testing.
- Coordinated cases with HMCTS, probation, police, NHS and social services, with safeguarding compliance and full case records in a regulated environment.

Career Break

11/2019 – 2023

- Professional development, completing an HND in Criminology and hands-on community mental health support work.

Health & Social Care Support Worker

09/2017 – 10/2019

Agency & Contract Assignments: Turning Point, The Priory, Sanctuary Supported Living

- Worked across mental health supported housing, learning disability and children's services on agency and contract assignments, building hands-on clinical and care experience in regulated settings.
- Delivered key-working, personalised care planning, dynamic risk assessment, medication support and benefits guidance across three supported housing sites (25 residents), plus 1:1 and 2:1 support for adults with autism and complex needs.
- Liaised with mental health teams, local authorities, emergency services and multidisciplinary teams.

Housing & Homelessness Support Worker

07/2016 – 09/2017

Porchlight, Kent

- Housed 60 people in year one with 85% tenancy sustainment, from a live caseload of 15 to 20 a week.
- Ran the client support budget for deposits, rent and household goods.
- Built the landlord relationships that kept tenancies alive through disputes.

EARLIER COMMERCIAL CAREER: SALES & ACCOUNT MANAGEMENT, 2001 – 2016

Account Manager (Contract)

01/2016 – 06/2016

Bright A Blind

- Owned the post-sale customer success element: on site to check installations, log and feed back snags and make sure clients were satisfied with delivery.
- Built relationships with senior construction managers, running a target of 15 face-to-face client meetings a week to get products specified into new-build developments.

Advertising Accounts Manager (Contract)

12/2014 – 12/2015

Offshore Investment Magazine, Belfast & London

- Recruited from BT to manage monthly advertising revenue targets of £25,000 to £35,000 in a specialist market serving high-net-worth investors, averaging around 5% above target.
- Retained existing client relationships with a strong renewals focus and generated new business across advertising, directories and events.

Account Manager, SME & Financial Services

2010 – 2014

BT Group

- Booked £7.3m against a £6.7m cumulative target, hitting 18 consecutive quarterly targets at between 105% and 115%.
- Sold and renewed across seven product areas including VOIP, lines, broadband, switch and SaaS, on a 60/40 new business to retention split.
- Held renewals at roughly 87% across 2, 3 and 5 year contracts.
- Acted as the team's Salesforce and Siebel gold user, the first call for colleagues' CRM and technical problems.
- Promoted twice, from Business Consultant through Senior Business Consultant to Account Manager.

Launch Sales, Compliance Monthly

2009 – 2010

Capital Ideas

- Took a new compliance and audit title from concept to market, billing £122k against a £105k first-period target before the business was sold.

Account Manager

2004 – 2009

Incisive Media / MSM International, London

- Sold advertising, events and online products to global investment banks, audit and legal firms, face to face across Europe and the USA.
- Beat target in all five years, growing annual billings from £458k to £615k, including £62k of awards and events revenue in year one.
- Maintained long-term client relationships through a challenging market, with repeat business and renewals central to consistent overperformance.

Earlier Sales Roles

2001 – 2004

Sinclair & Rush; Digital Dream

- Technical sales at Sinclair & Rush: won ISO-specified engineering supply deals with BAE Systems (£57k) and PowaKaddy (£22k), beating target both years. Before that at Digital Dream, launched the first official James Bond branded camera into UK retail (Boots, Tesco, Jessops) and finished year one 74% over target.

EDUCATION & CERTIFICATIONS

- HND, Criminology, 2021 – 2023
- NVQ Level 4, Sales Management, BT apprenticeship, 2011 – 2013
- NVQ Level 3, Sales and Presentation, BT, 2010
- Level 3 Certificate, Counselling and Psychotherapy, Canterbury College, 2013 – 2015
- Mental Health First Aid (2023) | Care Certificate, Level 2 | Ongoing CPD: safeguarding, EDI, neurodiversity
